

WORLD ENVIRONMENT SOCIAL & GOVERNANCE SUMMIT

Embracing ESG: A Journey of Transformation

 10-11 February, 2025

 Crowne Plaza | Riyadh Palace

Managed By

Email: Info@gulfxellence.com

INTRODUCTION

Summit Overview

After four impactful editions, Gulf Xellence is thrilled to bring together change-makers for the 5th Edition of the World ESG Summit, set to take place in Riyadh on February 10-11, 2025. This two-day summit is a powerful gathering of global leaders, industry experts, and devoted stakeholders, all driven by a shared commitment to advancing Environmental, Social, and Governance (ESG) principles.

In a world where sustainable change is essential, the summit creates a platform for exchanging bold ideas, exploring the latest sustainability trends, and devising actionable solutions to our most pressing challenges. Our aim is to inspire and mobilize real-world strategies that will safeguard our environment, uplift communities, and foster responsible governance.

We invite you to be part of this transformative event. Join us in shaping a resilient, sustainable future and driving positive change for generations to come.

ABOUT SPONSORS & PARTNERS

Environmental Horizons Co

Environmental Horizons (EH) is a leading environmental services provider in KSA, committed to delivering innovative and sustainable solutions that support the Kingdom's Vision 2030. EH specializes in environmental & sustainability consultancy and services, ensuring the highest standards of environmental stewardship and operational excellence.

Our wide range of services encompasses environmental consultancy, environmental studies & permitting, emergency response services, industrial & hazardous waste management, remediation & rehabilitation of contaminated sites (terrestrial & marine environments), environmental testing & monitoring, construction and maintenance of waste management facilities, and many others, with a focus on protecting natural resources and ecosystems. We also assist industries in achieving compliance with environmental regulations, offering tailored solutions that align with their operational needs.

EH is also supporting its clients to integrate sustainability into their core strategies, enhancing their ESG performance. From stakeholder engagement & risk management to sustainability reporting, EH empowers organizations to achieve long-term value while addressing global sustainability challenges. Our approach emphasizes innovation, transparency, and measurable impact, positioning clients as valuable contributors to the kingdom's sustainable development.

As a trusted partner, EH remains dedicated to advancing environmental resilience and promoting responsible practices, balancing economic growth with environmental and social priorities for a sustainable future.

Z&CO

Z&Co. is unique amongst Saudi Arabian law firms in having a full-service offering with dedicated practices in Dispute Resolution; Public Policy & Legislation; Corporate & Commercial Advisory; Transactions; and Tax Disputes & Advisory. Z&Co.'s head office in Riyadh, along with a smaller presence in Jeddah, together employ over 30 lawyers, including Saudi nationals at the junior, senior, and partner levels. Our transactions team combines international expertise with deep local knowledge, while our litigation lawyers, who regularly appear in the Commercial, General, and Administrative Courts, bring current, practical insights from their close interactions with specialized judicial panels.

Our tax practice provides support in areas such as VAT, Real Estate Transactions Tax (RETT), Zakat, and corporate tax, ensuring strategic compliance and effective dispute resolution. In regulatory work, we pioneer drafting impactful laws and regulations, leveraging the complementary skills of Saudi and internationally qualified lawyers, former judges, and Shariah experts.

Our corporate & commercial advisory practice offers strategic solutions across regulatory compliance, commercial risk management, IP, data privacy, real estate and high-profile projects. We also provide integrated ESG advice in line with Vision 2030 priorities, including environmental sustainability, digitalization, employment, and corporate governance.

For more information about the Z&Co, visit <https://zamakhchary.com/>
